

## WOMEN TO MEET AT TERRE HAUTE

Muncie Mentioned But No Formal Invitation Was Extended Federation.

BY ELINOR WOLF.

Staff Correspondent.

INDIANAPOLIS, Oct. 30.—The 10th annual convention of Indiana Federation of Women's clubs of Indiana will be held October 19, 1916, in Terre Haute.

The invitation was extended by Mrs. U. O. Cox of that city. Muncie also was mentioned but no formal invitation was extended by that city so Terre Haute was given the choice, having stepped aside in favor of Indianapolis last year.

Delegates dispersed early Friday afternoon. Following the introduction of new officers at the close of the last business session Friday morning Mrs. Fairbank spoke feelingly of a desire for unity of action by the federation in support of a federation propaganda.

"Let us forget all unpleasantness," she said. "Do not congratulate me now. I feel the situation too keenly." The two candidates, Mrs. L. J. Cox and Mrs. Fairbank met in the corridor following the session and warmly clasped hands and those who witnessed the incident felt that it was a signal to leave behind contentions and bitterness and turn with new earnestness to achievements of the great objects to which the federation has pledged itself.

A luncheon was given Friday noon in the Florentine room at the Claypool by the Woman's Press club of Indiana. It was one of the delightful social events of the convention week. Honor guests were Mrs. Samuel M. Ralston, Miss Lillian Stearns of Milwaukee, Miss Anna Johnson, Springfield, Ohio, and Mrs. Emma Wille, Cincinnati. Speakers were Mrs. A. D. Moffett, Miss Sagie Velle Penton, Mrs. Julia Fried Walker and Miss Linda McKinney. Mrs. Samuel Ralston introduced the honor guests and Miss Stearns responded.

## TWO PRIESTS MURDERED

Eskimos Kill Prospectors Also Near Hudson Bay.

WINNIPEG, Man., Oct. 30.—Two Catholic priests and two gold prospectors were murdered by Eskimos north of Chesterfield Inlet, Hudson bay, according to a dispatch received Friday by the Northwest mounted police here. The two priests landed at Herschel Island last year, and the two prospectors arrived at the same place about three months ago. Peaceful shore Eskimos who related the story of the killing to Capt. Lockhart of the mounted police said the slayers of the four men were the members of the same tribe that speared to death explorers Radford and Street.

The murdered priests are Fathers Truquett and Leblanc of the Oblate order. They seldom came into civilization. One of the prospectors' name was Caldwell.

Foster, 56 years old, leaped from a window on the 18th floor of the Jefferson County bank building here Friday afternoon to the roof of the St. Regis hotel, four stories, which adjoins the bank building, meeting instant death, practically every bone in his body being broken. Suicide is considered the intention, as Foster is said to have been in bad financial condition lately and in very low spirits.

## QUARTET OF PRETTY TEACHERS FROM THE TOWN OF NEW CARLISLE

IRENE ROLUFF.

PHYLIS MILLER.

CATHEEN MILLER.

BLANCHE KNIGHT.

Every Indiana town has sent its quota of teachers to the state convention in Indianapolis. New Carlisle, near South Bend, has among its representatives Miss Irene Roluff, Phylis Miller and her sister Cathleen and Blanche Knight. In earlier days it was thought improper only for girls to take flowers to teachers, but if the rural teachers from all over the state are anything like the New Carlisle teachers it would be a difficulty for the greenhouses in South Bend to keep supplied with American beauties.

RUSSIANS CLAIM GAINS

This Despite Teutonic Reports to the Contrary.

LONDON, Oct. 30.—It is significant that while the Austrian official report on the Russian front says "there is nothing to report," and the German statement is "the positions are unchanged," the Russian war office claims many gains of importance.

This is particularly so through the lake district between Dvinsk and Sventskan. Here the Russians are steadily advancing and are making a near approach to the Vilna-Dvinsk line. In the south they also continue harrying the Austro-Germans by frequent thrusts.

These gains are coincident with the presence of the czar and the crown prince, who are now visiting Gen. Ivaikin in this region.

In the north the battle is still raging for Riga and Dvinsk, which for nearly two months Feld Marshal von Hindenburg has been endeavoring to reach, first from one point and then from another.

During the last week the Germans have poured a rain of shells on the Russian positions along a front of 150 miles, from the mouth of the Dvina to south of Dvinsk, but although the Russians are falling back a little in the north, they have generally held firm and returned shot for shot.

DRY GOODS STORE ROBBED

Michigan City Merchant Reports Loss of \$3,000 in Costly Goods.

LAPORTE, Oct. 30.—At an early hour Friday morning robbers forced an entrance to the dry goods establishment of Louis Halsberg in Michigan City and looted the establishment of silks and other costly dress goods to the value of \$3,000.

The robbers opened the skylight of the building, lowered ladders and, after gathering the plunder, hauled it by ropes to the roof and then lowered it into waiting automobiles, making their escape before the policeman on the beat made his appearance.

ROUMANIA RATES SOAR

Messages From U. S. Will Cost 46 Cents a Word.

NEW YORK, Oct. 30.—A general notice issued by the New York headquarters of the Postal Telegraph company Friday announces that the only available route for messages to Roumania is by way of Russia and that therefore the rate has been raised to 46 cents a word. This is taken to mean that the German forces probably have cut the wires normally connecting that part of the Balkans with London. Dispatches now must be sent via London through Norway and Sweden, thence through Russia.
